Examiner's report on the unaudited accounts to

The Polish Saturday School in Manchester

My examination is carried out in accordance with UK Generally Accepted Accounting Practice. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken in an audit and consequently I do not express an audit opinion on the view given by the accounts.

In the course of my examination, no matter has come to my attention which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records or to prepare accounts which accord with the accounting records and comply with the UK Generally accepted Accounting Practice have not been met, or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
