

Missisle

School of Sip-Puff Sailing

Chairman's 2019 Annual Report.

During the course of the year the charity has attained RYA affiliation. This gives the charity the opportunity to firstly use the RYA logo but more importantly work more closely with the RYA and their Sailability team. By working together, the Sip-Puff Sailing School Charity is now able to widen their audience at the same time as increasing the offering for disabled people.

Once again in May The Sip-Puff Sailing School had a stand and a boat on display during the British Marine 'On The Water' weekend which was a great success.

In July Natasha and the team were invited to attend the RYA Sailability Regatta in Weymouth, which was a most successful event. With a shore presence along with Natasha's boat on the water, the team had the opportunity to show off the Charities offering.

Cowes Yacht Haven once again have helped the Charity by providing designated Disabled parking close to the pontoon.

The Charity has benefitted in this last year from Simon Evans settling in as treasurer and Tony Reeve taking on the role of Charity secretary.
