

Miss Isle

School of Sip-Puff Sailing

Chairman's 2019 Annual Report.

2020 will be remembered for all the wrong reasons. Like most charities it has been a year when the majority of the planned activities have been cancelled or postponed.

On the positive side Natasha's planned Atlantic crossing in November 2019 did go ahead in 2020, more about that in next year's report.

The Charity purchased 3 pond yachts which have now been converted to the Sip and Puff system. These boats will be ready for the new season giving people the opportunity to sail the yachts by using the unique Sip and Puff sailing helmets.

The Charity is in a strong financial position and is looking forward to a positive 2021 season.
