---

**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

The Trustees present their annual report together with the financial statements of the The Deltic Preservation Society Limited for the 1 October 2019 to 30 September 2020. The Annual report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the company qualifies as small under section 382 of the Companies Act 2006, the Strategic report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

***Objectives and activities***

**a. Public benefit that is provided by the charity**

The Board of Trustees have complied with the duty of Section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charities Commission.

**b. The contribution of volunteers**

The Trustees wish to record their gratitude for the work done by volunteers, without which the trust would not exist. There are no paid staff employed by the trust. We are always looking for new volunteers, with relevant skills, to work at Barrow Hill on Wednesdays and Saturdays.

***Achievements and performance***

**a. Main achievements and performance**

The Board of Trustees are satisfied with the performance of the charity during the year and the position at 30 September 2020 and consider that the charity is in a satisfactory position to continue its activities during the coming year, and that the charity's assets are adequate to fulfil its obligations.

**b. Review of activities**

The charity has been following the Governments advice for dealing with Covid-19 and our depot has been in lockdown for most of the year with only restricted access when rules have been relaxed. All our locomotives are now in our depot at Barrow Hill. Steps have been taken to reduce expenditure, with the exception of D9009 where work has continued, funded by money received from the insurance claim.

Following the electrical failure whilst on a mainline tour in March 2019, D9009 Alycidon is currently out of service and undergoing major repairs. The cause of the failure has been deemed to have been accidental and the majority of the costs involved with the repair have been covered by our insurers, the insurance pay out was received during 2020.

---

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

*Financial review*

**a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

With the continued support of our members the Trustees do not currently foresee any financial difficulties but have reserved £40,000 of our cash balances to cover any unforeseen issues. It is anticipated that the effect of the pandemic within the Heritage Rail sector will be felt for the next two years and will seriously affect our income. To address this the Trustees have instigated a number of fund raising initiatives, diversified our online sales outlets and have received a Heritage Lottery grant over the next two years to develop management and strategy. The Trustees have confidence that the action being taken will sustain the business in the foreseeable future.

**b. Financial review**

The financial statements are set out on pages 8 to 23. As stated in the introduction to this report, the trustees consider the financial performance by the charity during the year to have been satisfactory.

The Statement of Financial Activities shows net income for the year of a revenue nature of £224,233 (2019: £30,467). Total income for the year was £490,090 (2019: £150,068) and total expenditure was £265,857 (2019: £119,601). Income received in the year included legacies of £87,337 and insurance receipts of £305,446.

The total reserves at the year end stand at £808,567 (2019: £584,334).

Free unrestricted liquid reserves amounted to £123,552 (2019: £129,237)

**c. Financial Performance of the charity's subsidiary undertakings**

The charity has a wholly owned subsidiary DPS Commercial Services Limited, a company registered in England and Wales, whose principal activity is raising funds through commercial operations in support of its parent company. Although locomotive hire is currently suspended due to the pandemic DPS Commercial Services Ltd continues to contribute with its other sales activities.

**d. Reserves policy**

The objectives of the Trust require that, unless specified by the donor, all funds are applied as soon as possible to maintain assets in the care of the Trust. Therefore, beyond maintaining sufficient funds for ongoing running costs for at least a year ahead (which is around £110,000 on average per year), the Trustees have no requirement to build up further reserves, unless a particular project is to be funded. Free reserves at 30 September 2020 totalled £123,552.

The Trust is currently holding restricted funds, for the development of a Deltic Museum, the remainder of the D9009 insurance fund and also the 2020 legacy received by the Society.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

*Structure, governance and management*

**a. Constitution**

The company/charity is governed by the Memorandum and Articles of Association of the Companies Act 2006 and the Charities Act 2011. It is incorporated as a charitable company limited by guarantee. Each member's liability is £1. The trust is run by a Board of 10 members who are appointed, as unpaid volunteers, according to their qualifications or experience in relevant fields of engineering, finance etc. Details of their competencies are shown in the official magazine, "Deltic Deadline". One third of the Trustees resign at the AGM and are subject to re-election by the members, plus any Trustee appointed during the year.

The object of the company continues to be the promotion and encouragement of restoration, preservation, maintenance and operation of English Deltic and other diesel locomotives.

**b. Methods of appointment or election of Trustees**

Any person can apply to become a Trustee, subject to a satisfactory assessment of their competencies by appropriate Trustees. Vacancies are also advertised in "Deltic Deadline", the official magazine of the Trust.

**Statement of Trustees' responsibilities**

The Trustees (who are also the directors of the company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

**TRUSTEES' REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

**Statement of Trustees' responsibilities (CONTINUED)**

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

**INDEPENDENT EXAMINER'S REPORT**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

**Independent Examiner's Report to the Trustees of The Deltic Preservation Society Limited ('the company')**

I report to the charity Trustees on my examination of the accounts of the company for the year ended 30 September 2020.

**Responsibilities and Basis of Report**

As the Trustees of the company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiner's Statement**

Since the company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**THE DELTIC PRESERVATION SOCIETY LIMITED**  
**(A company limited by guarantee)**

---

**INDEPENDENT EXAMINER'S REPORT (CONTINUED)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

This report is made solely to the company's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the company's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the company and the company's Trustees as a body, for my work or for this report.

The company was entitled to exemption from audit under section 477 of the Companies Act 2006.

The members have not required the company to obtain an audit for the year in question in accordance with section 476 of Companies Act 2006.

The Trustees acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and preparation of financial statements.

The financial statements have been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

Date:

The notes on pages 11 to 23 form part of these financial statements.

---

**THE DELTIC PRESERVATION SOCIETY LIMITED**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

**1. General information**

The Deltic Preservation Society Limited is an incorporated charity registered in England and Wales. In the event of the charity being wound up, the liability is limited to £1 per member. The address of the registered office is given on page 1.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Deltic Preservation Society Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

The Trustees have been following the Governments advice for dealing with Covid-19 and our depot has been in lockdown for most of the year with only restricted access when rules have been relaxed. All our locomotives are now in our depot at Barrow Hill. Steps have been taken to reduce expenditure, with the exception of D9009 where work has continued, funded by money received from the insurance claim.

With the continued support of our members the Trustees do not currently foresee any financial difficulties but have reserved £40,000 of our cash balances to cover any unforeseen issues. It is anticipated that the effect of the pandemic within the Heritage Rail sector will be felt for the next two years and will seriously affect our income. To address this the Trustees have instigated a number of fund raising initiatives, diversified our online sales outlets and have received a Heritage Lottery grant over the next two years to develop management and strategy. The Trustees have confidence that the action being taken will sustain the business in the foreseeable future.

**2.3 Income**

All income is recognised once the company has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Insurance claims are recognised as income when virtually certain.

---

**THE DELTIC PRESERVATION SOCIETY LIMITED**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

**2. Accounting policies (continued)**

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on raising funds includes all expenditure incurred by the company to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the company's objectives, as well as any associated support costs.

**2.5 Tangible fixed assets and depreciation**

Tangible fixed assets are initially recognised at cost.

No depreciation is provided on fixed assets as the directors consider the current value of the property and locomotives to be in excess of original costs.

**2.6 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments in subsidiaries are valued at cost less provision for impairment.

**2.7 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the company; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**2.8 Stocks**

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks.

**2.9 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

---

**THE DELTIC PRESERVATION SOCIETY LIMITED**  
**(A company limited by guarantee)**

---

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2020**

---

**2. Accounting policies (continued)**

**2.10 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.11 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the company anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**2.12 Financial instruments**

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.13 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the company and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the company for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.
