Section E

Financial review

Brief statement of the charity's policy on reserves

The purpose of the Operating Reserve Policy for Being The Cure is to ensure the stability of the mission, programs, employment, and ongoing operations of the organization. The Operating Reserve is intended to provide an internal source of funds for situations such as a sudden increase in expenses, one-time unbudgeted expenses, unanticipated loss in funding, or uninsured losses. The Reserve may also be used for one-time, nonrecurring expenses that will build long-term capacity, such as staff development, research and development, or investment in infrastructure. Operating Reserves are not intended to replace a permanent loss of funds or eliminate an ongoing budget gap. It is the intention of Being The Cure for Operating Reserves to be used and replenished within a reasonably short period of time. The Operating Reserve Policy will be implemented in concert with the other governance and financial policies of Being The Cure and is intended to support the goals and strategies contained in these related policies and in strategic and operational plans.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal source of funding has been grants since the charity was incorporated in February 2020. We have received two grants of £1,000 each.

The majority of the funding(69% in 2020 and 29% in 2021) has been invested into setting up of the charity's IT infrastructure to publish educational content, connect the relevant stakeholders, and store data. This has helped with delivery of content in the classroom through online resources and helped with safeguarding of pupils through proper record-keeping of attendance and attainment data.

5% of the funds have been utilized for the purchase of food for children and classroom resources to sustain the Saturday sessions in 2021. 1% of the funds have been spent on board expenses in 2021.
