### Main Projects:

#### 1. Student Loan to UK Madrasah and University students. **UK Zakat for UK Cause!!!**

Muslim students are dropping out of higher Islamic and University education due to financial hardship. Zakat can be spent on the education of our students. Take the benefit of this initiative to securing the future of our younger generation.

**It is also an Islamic Principle that Zakat should be spent in the locality where it is collected.**

#### 2. Sponsoring Hifz students.

Prophet (PBUH) stated: “The best among you is he who learns and teaches the Qur’an.” By sponsoring a Hafiz you will also be counted amongst the Best Ones and receive the benefit in both worlds.

### 3. Water Project - £200/00 to £575/00, depending on quality and location.

Prophet (PBUH) was asked, “Which charity is best?” He replied “A drink of water.” A-Nasa’i.

### 4. Building house for the needy and orphans for only £2950/00

The Prophet (PBUH), said, “The one who cares for an orphan and myself will be together in Paradise like this,” and he held his two fingers together to illustrate. Bukhari.

We are helping with construction and running of two small Madrasas In the remote rural area of Balagonj, Sylhet, Bangladesh, namely Darul Uloom Sunapur Rupapur and Jamia Rahmania Madrasa.

Mumin Aid is also collaborating with Blue Ink Trust to build a school in the Sudhar Nagar area of India, which will provide education to the most deprived children.

On behalf of Charity and the Masjid we sponsored 50 families in Ramadhan in Bangladesh and Pakistan to have a Poverty Free Ramadhan.

Over 90 % of our work is in England concentrating on English projects. It will increase further over the coming years. We have supported small projects in England, Bangladesh, India and Pakistan.

We have sponsored over 35 students to become Hafiz in Bangladesh. We intent to increase the Scheme of Sponsoring Huffaz in Bangladesh, India and Pakistan.

We have now taken house building, providing water pumps and school building projects in Bangladesh. This year Mumin Aid provided Nine Water pumps and three houses.

## **Independent assurance report on the unaudited accounts of Omeed Welfare Trust**

### **To the trustees of Omeed Welfare Trust**

We have performed certain procedures in respect of the Charity's unaudited accounts for the year ended 31 August 2020 (which comprise the income and expense Account, the Balance Sheet and the related notes), made enquiries of the Charity's trustees and assessed accounting policies adopted by the trustees, in order to gather sufficient evidence for our conclusion in this report.

This report is made solely to the Charity's trustees, as a body, in accordance with the terms of our engagement letter dated 1 June 2016. It has been released to the trustees on the basis that this report shall not be copied, referred to or disclosed, in whole (save for the trustees' own internal purposes or as may be required by law or by a competent regulator) or in part, without our prior written consent. Our work has been undertaken so that we might state to the trustees those matters that we have agreed to state to them in this report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and the Charity's trustees as a body for our work, for this report or the conclusions we have formed.

#### **Respective responsibilities**

You have confirmed that you have met your duty as set out in the trustees' statement. You consider that the Charity is exempt from the statutory requirement for an audit for the period. Our responsibility is to form and express an independent conclusion, based on the work carried out, to you on the accounts.

#### **Scope**

We conducted our engagement in accordance with basic principles of audit & review of financial information. Our work was based primarily upon enquiry, analytical procedures and assessing accounting policies in accordance with the Financial Reporting Standard for Smaller Entities. If we considered it to be necessary, we also performed limited examination of evidence relevant to certain balances and disclosures in the accounts where we became aware of matters that might indicate a risk of material misstatement in the accounts.

The terms of our engagement exclude any requirement to carry out a comprehensive assessment of the risks of material misstatement, a consideration of fraud, laws, regulations and internal controls, and we have not done so. We are not required to, and we do not, express an audit opinion on these accounts.

#### **Conclusion**

Based on our work, nothing has come to our attention to refute the trustees' confirmation that in accordance with the Charities Act 1993 the accounts give a true and fair view of the state of the Charity's affairs as at 31 August 2020 and of its Surplus for the period then ended and have been properly prepared in accordance with the Financial Reporting Standard for Charities
