Trustee's report for the year ended 31 December 2022

The Trustees present their annual report together with the financial statements of the Parochial Church Council of the Ecclesiastical Parish of St Gregory and St Martin, Wye (the PCC) for the year ended 31 December 2022. The trustees confirm that the annual report and financial statements of the PCC comply with the current statutory requirements, the requirements of the PCC's governing documents and the provisions of the Statement of Recommended Practice (SORP) applicable in the UK and Republic of Ireland (FRS102) (effective 1 Jan 2019).

Administrative information

St Gregory and St Martin is situated in the centre of the village of Wye. It is part of the Diocese of Canterbury within the Church of England. The correspondence address is the United Wye Benefice Office, Zealds House, Office 2, 39 Church Street, Wye. TN25 5BL.

The PCC is also known by the name Wye PCC.

Objectives and activities

a. Policies and objectives

The PCC has the responsibility of cooperating with the Rector, the Rev Ravi Holy, in promoting in the ecclesiastical parish, the whole mission of the church, pastoral, evangelistic, social and economic. It also has responsibility for the maintenance of the fabric of the church building. The members of the PCC act as trustees of the charity.

The parish of Wye with Hinxhill is part of the Wye benefice which consists of five parishes. Together these parishes make up the United Wye Benefice. One parish consists of Petham. One parish consists of Waltham, Elmsted and Hastingleigh churches. One parish consists of Boughton Aluph and Eastwell. One parish consists of Brook. The fifth parish consists of the parish of Wye which also includes Hinxhill. The church of St Mary Hinxhill has become a chapel of ease. The reverend Ravi Holy is the Rector of the United Wye Benefice.

The PCC is committed to making the gospel of Jesus Christ as accessible as possible to the people of the Parish and to all who visit. We work hard to serve our local community, to encourage as many people as possible to encounter the risen Christ and then to deepen their faith through prayer and scripture, sacrament, music and community.

When planning our activities for the year the Rector and the PCC has considered the Charity Commissions guidance on public benefit and in particular the specific guidance on charities for the advancement of religion. In particular we try to enable ordinary people to encounter the living God and to live out their faith as part of our parish community through:

- Spiritual life
- Worship and prayer
- Christian discipleship
- Work with children and young people
- Provision of pastoral care for people in the community and congregation
- Missionary and outreach work

Trustee's report (continued) for the year ended 31 December 2022

Achievements and performance

a. Review of activities

The year 2022 saw the church's activities return to normal. Every Sunday the church provides a midmorning service. Attendance at the midmorning Sunday service after a slow recovery has returned to pre covid levels and attracts a congregation of about 75. We are privileged to have a flourishing choir who lead our formal worship and a music group to lead our more informal services. There is a Book of Common Prayer holy Communion at 8 o'clock every other week. The church no longer has a Sunday club for children because of difficulties over recruiting volunteers to run it. We have instead instituted a children's corner with sofas rugs and toys, this occupies the North West corner of the nave. It was decided to revamp the family service which the Rector now helps to lead. This is now called Not the 10 O'Clock Service and takes place at 11am once every month. There is a choral evensong on the fourth Sunday of the month. The Celebration Service which consisted of songs and a guest speaker has not resumed at the moment. The aim is to provide a full breadth of different styles of services to suit different people.

So far as ancillary activities are concerned, we have a flourishing flower arranging group. There is a Bumps and Babies group which meets weekly in the church, and a discussion group entitled Agnostics Anonymous. The Men's Breakfast has not resumed at the moment.

In December 2022 there were 200 on the church electoral roll, this represents a small rise in numbers. This is encouraging since it indicates that although members of the congregation have died or moved away, they have been replaced by new members. The major festivals of the church are well attended, in particular Easter, Pentecost, and Christmas. Remembrance Sunday is also extremely popular. There are three schools in the village namely the Lady Joanna Thornhill (endowed) Primary school, Spring Grove, and Wye Free School. The church enjoys close relations with all three schools.

The parish magazine which is a church publication, but which also functions as a community magazine continued to be distributed during most of the pandemic period. It has a wide readership amongst non-churchgoers as well as the congregation. The magazine includes a full list of church and community activities, and a monthly leading article aims to encourage people to encounter Jesus and develop their Christian understanding. During the year there were 10 weddings, 10 funerals, and 13 baptisms.

As well as our regular services, we enable our community to celebrate and thank God at the milestones of the journey through life. Through baptism we thank God for the gift of life, in marriage public vows are exchanged with God's blessing and through funeral services, friends and family express their grief, give thanks for the life which is complete in this world and commend the person into God's keeping. The church is open during the day for visitors and villagers. The church building is an important local amenity which is regularly used for concerts and meetings.

The church is in good condition, apart from the south roof which was the subject of a substantial lead theft. The PCC is keen to replace the roof covering with steel, which is not attractive to thieves, but this will cost over £70,000. This work is not all covered by insurance and it is not at present clear where the funds will come from to pay this bill. The PCC has the benefit of funds from the Wye Ecclesiastical Charities for the upkeep of the building but these funds only produce an income of about £30,000 p.a... A quinquennial review took place in 2022 which revealed no serious issues. During 2021 work began on the rebuilding of the organ using parts from an organ in a redundant church in Folkestone this work was substantially completed in December 2022.

The churchyard is an important village amenity the upkeep of which is shared with the parish council.

The church has a pastoral care team which is led and trained by our associate priest Linda Cross.

b. Paid employment and volunteers

We employ an office manager (part-time), who also serves the wider Benefice and is helping the parish to run smoothly. We also pay for the cleaning of the church building, for part of the costs of the churchyard maintenance, and an honorarium is paid for bookkeeping services.

Wye Parish Church could not function without the dedicated service of a very large group of volunteers. We believe that each Christian has a ministry, and that discerning and releasing the gifts of everyone is a major task for church leaders. We are grateful that so many offer their times and talents to further the mission and ministry of the Church (too many to name), and we would like to record our thanks to each and every one of them.

Financial review

The total income during the year totaled £200,701 (2021 - £277,548). Of this, £162,149 (2021 - £247,027) related to voluntary income.

Fundraising activities (including the Parish Magazine) carried out during the year generated net income of £5,699 (2021 - £5,196).

The total expenditure during the year totaled £214,831 (2021 - £266,065) which included parish share of £78,181 (2021 - £85,071).

Overall, there was net expenditure for the year of £14,130 (2021 - net income of £11,483).

a. Reserves policy

It is the policy of the PCC to maintain unrestricted funds, which are the free reserves of the charity, at a level which equates to at least three months unrestricted expenditure. This would provide sufficient funds to respond to the emergencies which arise from time to time.

The actual free reserves at 31 December 2022 were £35,028 (2021: £32,777).

The Trustees aim to keep the free reserves at an appropriate level.

b. Going concern

After making appropriate enquiries, the PCC members have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Structure, governance and management

a. Constitution

The PCC is a body corporate (PCC Powers Measure 1956, Church Representation Rules 2011) and became a charity registered with the Charity Commission (charity number: 1135099) on 22 March 2010.

b. Methods of appointment or election of Trustee

The method of appointment of PCC members is set out in the Church Representation Rules. The membership of the PCC consists of the licensed clergy, churchwardens, the licensed Reader, ex-officio members by virtue of membership of General or Diocesan Synod, and members of Deanery Synod or PCC elected by those members of the congregations who are on the Electoral Roll of the churches. All members of the congregations are encouraged to register on the Electoral Roll and stand for election to the PCC.

c. Organisational structure and decision-making policies

PCC members are responsible for making decisions on all matters of general concern and importance to the Parish, including deciding how PCC funds are to be spent. The Hinxhill Church Council is responsible for maintaining the fabric of the church of St Mary's, Hinxhill.

Given its wider responsibilities, the PCC has a number of committees and working groups each dealing with a particular aspect of parish life. These committees include finance, fabric, children and young people, eco-church and mission they are all accountable to the PCC. Notes of these meetings are received by the PCC and discussed as necessary. In addition, the churchwardens and PCC treasurer are members of the Benefice Wardens' group, which meets quarterly. During 2017 the PCC drew up and adopted a Conflict of Interest policy, with PCC members' interests being declared annually and also as part of every PCC meeting.

d. Connected charities

The PCC is connected to Wye Ecclesiastical Charities by virtue of having related objects and being under common control. Details of the transactions with Wye Ecclesiastical Charities are recorded in the notes at 14.

Statement of Trustee's responsibilities

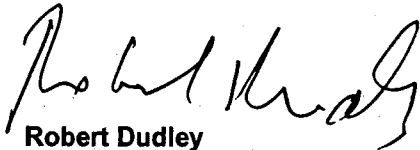

The Trustee are responsible for preparing the Trustee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustee to prepare financial statements for each financial which give a true and fair view of the state of affairs of the PCC and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustee are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the PCC will continue in business.

The Trustee are responsible for keeping adequate accounting records that are sufficient to show and explain the PCC's transactions and disclose with reasonable accuracy at any time the financial position of the PCC and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the PCC and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Independent examiner's report to the Trustee of The Parochial Church Council of the
Ecclesiastical Parish of Wye with Hinxhill ('the PCC')**

I report to the charity Trustee on my examination of the accounts of the PCC for the year ended 31 December 2022.

Responsibilities and basis of report

As the Trustee of the PCC you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the PCC's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

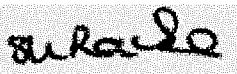

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the PCC as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the PCC's Trustee, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the PCC's Trustee those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the PCC and the PCC's Trustee as a body, for my work or for this report.

1. Accounting policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The Parochial Church Council of the Ecclesiastical Parish of Wye with Hinxhill meets the definition of a public benefit entity under FRS 102.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The Parochial Church Council of the Ecclesiastical Parish of Wye with Hinxhill meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

1.2 Going concern

The PCC's largest source of income is from donations through planned giving. The PCC members have considered the charity's anticipated future income from planned giving along with its level of reserves and concluded that these are sufficient to enable the charity to continue its operations for the foreseeable future. Therefore, the accounts have been prepared on a going concern basis.

1.3 Income

All income is recognised once the PCC has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the PCC has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the PCC, can be reliably measured.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

The Parochial Church Council of the Ecclesiastical Parish of Wye with Hinxhill

Notes to the financial statements for the year ended 31 December 2022

1. Accounting policies (continued)

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on raising funds includes all expenditure incurred by the PCC to raise funds for its charitable purposes and includes costs of all fundraising activities events.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the PCC's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

1.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the PCC; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

1.6 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the PCC anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

1.7 Financial instruments

The PCC only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.8 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the PCC and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the PCC for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.
